

# Marie Skłodowska-Curie Actions: Doctoral Networks

Online information event on 28 June 2021

On 28 June 2021, KoWi will offer an online information event for the forthcoming Marie Skłodowska-Curie Doctoral Networks call 2021. A representative of the European Commission – Directorate General for Education, Youth, Sport and Culture will introduce the programme and a successful applicant/consortium will give valuable insights into practical aspects and tips for the application. Target groups are interested applicants/consortiums with a German host institution, as well as multipliers.
